

## ***“HEALTHY STREET 2010”***

We are more than excited! Time has come again for us to be outdoors and serve our community while having plenty of fun. East Side Health District in conjunction with the Illinois Department of Public Health Office of Minority Health Services, Brothers and Sisters United Against HIV (BASUAH) and the Arthur M. Jackson Jr. M.D. Healthcare Foundation will host the 4th Annual “*Healthy Street*” on Saturday, June 26, 2010.

“Healthy Street” **a community health fair** is designed to promote awareness of health and wellness services that are available to the citizens throughout the metro-east community. Services this year will focus on various health screenings, health promotions, literacy, HIV/AIDS testing, and other services of interest to our community. In addition, we will have live entertainment, free give-a-ways, and games for everyone. Just lots of fun!

Our theme this year is “Putting Your Sole In It” by promoting a “healthy” walk in conjunction with a parade on June 26, 2010 at 8:00 a.m. from Clark Middle School to East Side Health District.

Your contribution to this worthwhile event will be greatly appreciated. You may contribute by completing the attached form.

As always, we appreciate your assistance and thank you for your community leadership and support. Mark your calendar; we look forward to seeing you on this “special” day!

Sincerely,

***Elizabeth Patton-Whiteside***
