It's time again to request your support and participation in our Annual "*Healthy Street*" Event scheduled for Saturday, June 26th, 2010 from 10:30 am until 2pm. We are asking your organization to set up a table display promoting your company's/agency's services, sponsorship and/or a demonstration (i.e. massage/screenings, etc.). Set-up time begins at 9am. Our standard set up is one table and two chairs. However, that does not limit the number of volunteers you may want to send from your agency. If you need more chairs, please just let us know and we will try to accommodate your request. If your organization is unable to set up a booth, you may be able to assist us by reviewing the following checklist, and offering your generous "charity" in another way.

THIS IS AN OUTDOOR EVENT. BE PREPARED!

Agency Name: _____

Contact Name: _____

Telephone Number: _____ Fax Number: _____

Please check one or more from the following checklist:

Yes, we will be able to participate in "*Healthy Street*" 2010.
